Conditions of Sale

1. All horses offered at auction are offered in accordance with the laws of the State of Texas, and the laws of the State of Texas shall govern all transactions related to this auction.
2. Each horse offered in this sale will be sold "AS IS", with all faults, conditions and defects, if any. Horses sold shall be without warranty, expressed or implied, as to soundness, condition, merchantability, or fitness for any particular purpose.
3. Every effort has been made to ascertain correct information, and to print the same in the Sale Catalog; however, the Auctioneer and Sales Management neither assumes nor accepts responsibility for errors, omissions, or misstatements contained in the Sale Catalog. Announcements at the time of auction will take precedence over material contained in the catalog.
4. The auction sale is "an auction with reserve", that is, the owner shall have the right to establish a reserve, a price under which the horses will not be sold. The reserve in this auction shall be a sealed reserve in which the owner has established the reserve, if any, in writing prior to the offer of each respective horse in the auction. Prior to the Auctioneer accepting the highest bid, the sealed reserve shall be opened and if the highest bid is not equal to or exceeds the reserve price, then and in such event, the highest bidder shall be advised by the Auctioneer of the reserve price, in which event the highest bidder shall be offered the opportunity to purchase the horse for the reserve price. In the event the highest bidder chooses not to meet the reserve price, then any qualified bidder may tender a bid exceeding the reserve price and the auction shall proceed with the Auctioneer accepting bids above the sealed established reserve.
5. Horses shall be sold to the highest bidder, subject to condition number 4. The successful bidder, submitting the highest bid, shall forthwith acknowledge such bid in writing, by signing the Acknowledgement of Purchase, which will be presented by an auction clerk immediately following the Auctioneer's acceptance of such bid. In the event any dispute arises between or among two (2) or more bidders, the Auctioneer shall have the sole authority and right to settle the dispute, as determined in the sole discretion of the Auctioneer, and his decision shall be final and binding on all parties. Bids received after the fall of the hammer are not a basis for dispute. The Auctioneer reserves the right to reject any and all bids.
6. The Sales Management is not responsible for the integrity of any bid made. In the event that a bid is not honored, seller agrees not to hold Sales Management, the Auctioneer and their agents and representatives responsible. A recorded tape will be made of the entire Sale, which shall be used to settle any disputes pertaining to statements made concerning the horses offered for sale.
7. Upon signing the Acknowledgement of Purchase, risk of loss and responsibility for the horse shall be upon the buyer.
8. Buyer agrees to issue payment through the auction cashier within one (1) hour following the conclusion of the auction sale. Upon buyer making satisfactory settlement for the horse or horses purchased, a delivery order will be issued by the auction clerk and given to buyer, so that buyer may take possession of the horse or horses for which settlement had been made. Sales Management will prohibit removal of any horse or horses without properly signed delivery order.
9. Buyer agrees to hold the Sales Management, the Auctioneer, International American Miniature Horse Alliance, L.L.C. and Miniature Horse Alliance, Inc. (collectively, "IAMHA"), and their directors, agents and employees, harmless from all loss, costs and expense, having to do with or rising from illness, injury or death of any animal offered or purchased, and any loss or damage to property and injury to persons, including death, caused by buyer, buyers agents, representatives or employees, or by the animal, following buyers purchase of an animal.
10. Buyer or buyers designated representative shall take possession, care, custody and control of any animal purchased, immediately following buyer's receipt of a delivery order.
11. Notwithstanding, delivery of the horse purchased to buyer, Sales Management will retain all registration papers and transfers until payments have been verified, i.e. checks have cleared buyers bank, etc. Upon verification of payment, registration papers, along with properly executed transfer of ownership reports, and any other pertinent documents related to the animal purchased shall be prepared and mailed to buyer.
12. Settlement by buyer, or buyer's representatives, shall be made to the Sales Management Cashier ONLY. Payment to anyone other than the designated cashier shall not be considered as settlement. Settlement for full purchase price on each horse purchased shall be in the form of US currency, certified check, traveler's check or approved personal check, which had been approved in advance by Sales Management. ALL BUYERS AND PROSPECTIVE BUYERS MUST ESTABLISH BUYER IDENTIFICATION PRIOR TO SALE.
13. Buyers who fail in any respect whatsoever to pay for horses, as provided in these Conditions of Sale and/or settlement procedures, shall be declared in default. Any horse for which full and complete settlement is not made, may be re-sold without notice to buyer, the cost of re-sale to be borne by buyer. In the event of a re-sale, based on buyer's failure to complete settlement, buyer shall be obligated to pay Sales Management all expenses incurred in re-sale, together with any deficiency in the price obtained upon re-sale. Sales Management and/or owner shall have the right to bring suit against a defaulting buyer, in which event, buyer shall be responsible for all cost, attorney fees, expenses and loss incurred or resulting from buyers default or enforcement of the obligations of buyer incurred by executing a bid acknowledgement.
14. The Sales Management does not act as agent for either seller or buyer, but merely provides an environment in order to permit the binding together of an agreement between seller and buyer for the purpose of sale/purchase transactions. Any and all representations concerning the horses presented are those of the seller, and no action shall lie against Sales Management related to or arising by reason of such representation.
15. All horses consigned to this sale have been required to have a negative Coggins report within six (6) months from date of sale, and Health Certificate dated within 30 days of sale.

Dear Friends and Miniature Horse Enthusiasts,

Welcome to the First Annual ULTIMATE EVENT SALE.

The founding members of IAMHA are pleased to present to the Miniature Horse and Shetland enthusiasts a venue UNLIKE any other in the recent history of the breeds; THE ULTIMATE EVENT. We understand that there will be several International Visitors, and we would like to say thank you to LA VISTA FARM, JUS B COZ MINIATURES, and FREEDOM HILL FARM for sponsoring the "Welcome Baskets" for our very special guests.

For this Ultimate Sale we feel we have put together, with the help of our consignors, a live auction of a very select group of horses from around the Country. You will have the opportunity to bid on show prospect fillies/colts, geldings, broodmares, and breeding stallions. For those not in attendance, the sale is being carried live on www.LiveCattleSales.com. Dinner will be catered and served prior to the sale.

We hope you enjoy all of the fun and excitement during your preview of Sale Horses Friday evening, tryouts for the "Ultimate Idol", and the Mexican Fiesta party along with the Saturday afternoon "AVENUE OF STARS", presenting the stars of the respective breeds; Shetlands, AMHR and AMHA Miniatures both past and present, by the different owners from around the country.

*Following the Avenue Of Stars, the **finalists** for the "ULTIMATE IDOL" will be named, and asked to perform prior to the ULTIMATE EVENT SALE. You, the audience will have the opportunity to vote by ballot for your "IDOL". The winner will be announced, and receive a very nice gift and award. This should be a lot of fun for everyone.*

Needless to say, we are very excited about this four day extravaganza, and hope you enjoy the fun and excitement we have planned.

I have owned and loved this incredible stallion since the first day I saw him as a yearling. He was like a shiny copper penny. He just seems to get better with age. His personality always attracts everyone to his stall or pasture as he will do anything for attention. He wants to be the first one you see every morning and the last one at night. He is the farm greeter. He loves to show, loves to drive, and lives for applause. He is just very special. Besides all his antics for attention, he is an exceptional breeding stallion. Chestnut Mare - 31.75"
In Foal to: AF Gold Reflection by Johnstons Gold Bar

If its gold you seek, AF Bonfire is a treasure. Sired by the darkest of golden palominos, Kahoka Palomino Special, who can be seen on the Avenue of Stars, Bonfire is out of a beautiful chestnut Special daughter, doubling up on this golden gene. The Kahoka horses are known for their golden color and Arabian type. They are either a shimmering golden palomino or a deep rich chestnut - no dilute genes of pinto or any other color, providing a pure gene pool for breeding this stunning color. Bonfire should be due in April, 2008, to the cremello stallion AF GOLD REFLECTION, who is by the immortal GOLD MELODY BOY son, JOHNSTONS GOLD BAR, himself a golden palomino descending from all palomino bloodlines. AF GOLD REFLECTION is a full brother to the beautiful AMHA TOP TEN FILLY, AF BAY MEMORY. His dam is one of my premier broodmares, AF GOLDEN ELEGANCE, who is by EAST ACRES GOLDEN JUBILEE, a palomino stallion owned by Little King Farm who is a GOLD MELODY BOY grandson. AF GOLD REFLECTION is a producer of all buckskin or palominos, has not had any smoky blacks, and has had elegant Arabian type foals, one who has been exported to England. A palomino foal is a sure thing with this mating, and AF BONFIRE is a young mare full of potential for golden bloodlines, and will provide instant gratification with a beautiful GOLD MELODY BOY bred foal in early April.

This beautiful mare captures the immediate attention of every visitor to the Farm. Her grace and elegance are reflected in her bloodlines - her sire is a well known son of the great Wittmaacks Mickey Mouse, a Gold Melody Boy Son who is out of a Gold Melody Boy daughter. His Dam, A & J's Toy Girl is by Johnstons All Star x Oz's Cream Puff, a Gold Melody Boy Daughter. Her Dam commanded a five figure price at auction and has produced show winners. Sunday herself is dam to several beautiful Buckskin and Bay foals with the extreme Arabian look that all breeders aspire to. She is in foal to Little Kings Buck Zeus for another beautiful Buckskin foal! The Gold Melody Boy blood in this mare and her 2009 foal will be a precious commodity indeed! The proud owner of this elegant mare will take home a pearl of great value!

Meltons Misty Brooke

Consignor
Cherryville Farm

"Brooke" is a very pretty little black mare. She has a small, dishy head with large expressive eyes. Her topline is nice and flat, her legs are straight, and she has a long archy neck. She has an awesome colt on her side by Cherryvilles Rio Bravo de Oro which will be weaned by sale time and not a part of her package. However, she is being bred to WF Pattons See Me Shine and should be vet checked in foal for a 2009 foal. We have no reason to think otherwise; she has foaled 7 foals in 7 years! "Shine" is the son of multi winner of World Champion Get of Sire, Glenns General Patton, and is himself a World Top Five in Open and Futurity. He consistently produces the best quality show babies at Cherryville. "Brooke's" sire is a National Champion. With the combined pedigrees of Brooke and Shine the resulting foal has to be a champion for you. She has a great disposition and will be a plus to any breeding program.

This colt is AWESOME...a real miniature of his famous sire! One should know that "Pharaoh", this colt's sire, is not a "one show wonder". He consistently came to the show ring and won. Very few senior stallions can boast of that fact. He was 1998 Senior Stallion National Res Champion, 2002 Senior Stallion National Res Champion, and 2003 Senior Stallion World Champion and World Res GRAND Champion! "Royale" should mature around 30-31" Everything about him is correct! He loves attention and will win for you in the show ring. He will also follow in his sire's footsteps as a champion sire when the time comes.
